Dear Ms. Nguyen:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 102016.

The City of Houston (the "city") received an open records request for the police report on an aggravated robbery. You state that you have released to the requestor the "Public Release" portion of the offense report. You seek to withhold the remaining portions of the offense report pursuant to section 552.108 of the Government Code.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; *see Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). Because the records at issue deal with the detection, investigation, or prosecution of crime, we conclude that the information at issue may be withheld under section 552.108.¹

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous

¹Although section 552.108 authorizes the city to withhold the remaining information from disclosure, the city may choose to release all or part of the information at issue that is not otherwise confidential by law. *See* Gov't Code § 552.007.

determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
